## Ride to Bill's Bench – A Meaningful Gathering

Thank you to everyone who joined us on March 29 for the ride to Bill's Bench. It was a truly special afternoon as our community came together to honor the life and legacy of Bill Jenkins.

Riders and hikers made their way out to the Green Room on the Beebe Trail, where stories were shared, memories reflected on, and Bill's lasting impact on CCCMB and our trails was felt by all. It was a powerful reminder of the community he helped build and the connections we continue to share through these spaces.

We're grateful to everyone who showed up to celebrate Bill. His legacy will continue to live on in the trails we ride and the community he helped shape.

## 📱 We're on TikTok!

We're excited to share that CCCMB is now on TikTok! 🎉

Our account is just getting started, and we're looking forward to growing it with content from our community. Follow along for trail updates, behind-the-scenes looks at our workdays, riding clips, and a bit of fun from the trail.

Our trails don't maintain themselves - your time and effort make all the difference. Whether you're a seasoned builder or brand new, there's a place for you every workday.

We hope to see you out there this April!
